

The Califon School Booster Club

The Califon School Booster Club is an ad-hoc committee of the Califon School Board of Education and is supported by parent volunteers. The Booster Club supports the sports programs at Califon School including soccer, cross country, basketball, baseball, and softball in a variety of ways. We raise money to purchase uniforms, equipment and trophies, as well as supplement banquet expenses. We also coordinate the school pep rally and spirit week in January to kick off the winter sports season.

Over the years the Booster Club has purchased bleachers, player benches, portable soccer goals, baseball, softball and basketball uniforms, as well as the necessary equipment and trophies for each of our sports. We have also subsidized the cost of championship banners.

Currently the Booster Club is looking for new members to keep the Califon School spirit alive. If you are interested in helping in any way, please contact Melissa Baker at 832-6498 [or bakersix@embarqmail.com](mailto:bakersix@embarqmail.com). We welcome new members!!
