<http://www.cdc.gov/flu/school/>

Preventing the Spread of Influenza (the Flu) in Child Care Settings: Guidance for Administrators, Care Providers, and Other Staff: Flu recommendations for schools and child care providers

<http://www.cdc.gov/flu/professionals/infectioncontrol/childcaresettings.htm>

Protecting Against the Flu: Advice for Caregivers of Children Less Than 6 Months Old: Research has shown that children less than 5 years of age are at high risk of serious flu-related complications. <http://www.cdc.gov/flu/protect/infantcare.htm>

Stopping Germs at Home, Work and School: Fact Sheet

http://www.cdc.gov/germstopper/home_work_school.htm

Ounce of Prevention: Tips and streaming video for parents and children about the steps and benefits of effective hand washing <http://www.cdc.gov/ounceofprevention/>

Clean Hands Saves Lives: Keeping hands clean is one of the most important steps we can take to avoid getting sick and spreading germs to others.

<http://www.cdc.gov/cleanhands/>

Hand washing to reduce Disease: Recommendations to Reduce Disease Transmission from Animals in Public Settings
<http://www.cdc.gov/mmwr/preview/mmwrhtml/rr5605a4.htm>

BAM! Body and Mind. Teacher's Corner: In this activity, students will conduct an experiment on washing their hands. They will learn that "clean" hands may not be so clean after all and the critical importance of washing their hands as a way to prevent the spread of disease. http://www.bam.gov/teachers/epidemiology_hand_wash.html

CDC TV - Put Your Hands Together: (Video) Scientists estimate that people are not washing their hands often or well enough and may transmit up to 80% of all infections by their hands. <http://www.cdc.gov/CDCTV/HandsTogether/>

Cover your Cough Posters: Stop the Spread of Germs that Make You and Others Sick! Printable formats of "Cover Your Cough". Posters only available as PDF files.
<http://www.cdc.gov/flu/protect/covercough.htm>

CDC - Be a Germ Stopper: Posters and Materials: For Community and Public Settings Like Schools and Child Care Facilities). Cover Your Cough also available for health care settings. <http://www.cdc.gov/germstopper/materials.htm>

"It's a SNAP" Toolkit Program materials to help prevent school absenteeism activities for school administrators, teachers, students and others can do to help stop the spread of germs in schools.

See the hand cleaning section of the "It's a SNAP" site at www.itsasnap.org/snap/about.asp.

Scrub Club <http://www.scrubclub.org/> Kids can learn about health and hygiene and become members of the Scrub Club(tm) at www.scrubclub.org. The site features a fun and educational animated Webisode with seven "soaper-heros" who battle nasty villains who represent germs and bacteria. Kids learn the six key steps to proper hand-washing through a webisode, hand-washing song, interactive games, and activities for kids, and educational materials for teachers are also available to download.
