Spring 2010

Califon Memorial Day Parade

- The children in our Spring riding session will be part of the annual Califon Memorial Day Parade
- Come out for a day of fun
- The parade ends at Califon Island Park with lots of fun things to see and do

REGISTRATION FOR THE SUMMER FARM LIFE WORKSHOPS IS OPEN

- Our weeks are starting to fill up, so please send in registration as soon as possible
- Options include: full day with or without riding, ½ day with or without riding, as well as a daily rate
- [Registration can be found here](#)

Children will build lasting memories under the supervision of our dedicated staff that encourage safety, accountability and respect for our animals while offering lots of fun!

Enroll now and help open your child's mind to a world of animal common sense, a stepping stone to strong self esteem. Our goal is to maximize your child's opportunity to make friends, develop self-confidence and participate in a variety of activities. Children will learn to be thoughtful caretakers of nature and discover their own relationship to all living things.

Please be green and pass on to a friend by email.

Have your child experience a once in a lifetime summer. We teach all parts of horsemanship, including: handling, grooming, tacking up, leading, proper mounting and dismounting, position, communication, and riding.
