Kathleen M. Prystash, Ed. D
Chief School Administrator, Principal

Susan Schaffner
Business Administrator/ Board Secretary

Automated Emergency Call System 2009-10

The Califon School currently utilizes the **Global Connect** automated phone service to notify families and staff of important information. Phone alerts may include, but are not limited to early dismissal, delayed openings, and school closing procedures due to inclement weather, power outages and other emergencies. **Global Connect** will provide the quickest, safest and most secure measures possible for emergency situations. All school wide **Email Blasts** also come from Global Connect services and allow for quick and efficient communication updates.

Please be reminded that the PTA no longer conducts an emergency phone chain. If you are not signed up for Global Connect, you will NOT receive a phone alert regarding school closings and activity cancellations.

However, school closings and/or delays will be announced on **NJ101.5 FM** and on their website at www.nj1015.com . Information will also be available on **New Jersey News 12** (Comcast channel 62) or at www.News12.com

Additionally, in an effort to be more "Green Friendly" and "Budget Conscious", Califon School will use Global Connect automated phone calls and emails as well as Website postings for PTA and School reminders in lieu of paper fliers when feasible.

If you would like to register for **Global Connect**, please fill out and return the attached form with a **check payable to "Califon School" for \$2 per student**. (*\$2 fee is the administration cost charged to Califon by GC services.*) Registering each student allows for teachers and administration to utilize GC for specific classes, in addition to school wide announcements. If your contact information changes at anytime, please contact the Main Office with updated information.

Registration must returned to the office September 15th.

Please sign & check No if you decide NOT to register.

Thank you and have a great day.
