To foster greater collaboration among parents, staff and administration

This fall, the Califon *Home & School Committee* (HSC) was implemented as a means to improve communication, collaboration and community volunteerism. It provides a structured and informal forum for parents, staff and administration to work together to address mutual concerns. The primary goal of the committee is to plan ways for parents to be involved in the functions of the school as a support to the classroom teachers and staff.

Currently, the *HSC* has created the following survey to set up volunteer opportunities in the school. The staff has completed a similar survey to assess their needs. The *HSC* will compile both the needs of the staff and the contributions of the volunteers to implement an ongoing avenue of collaboration. Please consider volunteering in Califon School. Please take a few minutes out of your day to complete the survey. Thank you.

~~~Would you like to help out in any of the following areas?~~~

- Clerical classroom support? (i.e. copying, laminating etc.) Yes___ No _____
