TRAVEL SOFTBALL
ANNOUNCEMENT

Voorhees Stars

WE TRAIN GIRLS FROM VORHEES HIGH SCHOOL SENDING DISTRICTS TO BECOME GREAT SOFTBALL PLAYERS

We're recruiting for 2012!

*The Voorhees Stars girl's fastpitch softball program is looking for dedicated female athletes **ages 8 through 15** to complete their 2012 roster. We are a not-for-profit organization completely ran, coached and funded by parents and siblings.*

WHAT'S THE COMMITMENT?

- Winter workouts on Sundays from 12:00pm to 2:00pm in February and March
- Outside practices and scrimmages in April and May
- Regular season league play (about 2 games per week) in June and July
- Two practices per week during the regular season
- Home games played on the Voorhees High School Varsity field
- Away games typically not more than 40 minutes away, less depending on where you live
- 2012 Tournaments are TBD however last year we played 2 one day tournaments
- Optional fall ball in September and October on Saturday mornings – no practice

WHAT'S THE COST?

The cost of winter workouts is \$60 for 7 to 8 weeks which includes insurance, equipment and the indoor facility rental at Woodglen Middle School. The cost of the summer program is approximately \$300 which includes uniforms, fields, umpires, league fees, tournament fees and insurance. We sponsor fundraisers to offset the cost of the program.

WHAT ELSE DO THE STARS DO?

We pride ourselves in training our girls to develop excellent softball skills, build self-confidence and to display exceptional sportsmanship... and yes, we play to win too! But it doesn't stop there... Last year the Stars held fundraisers, participated in team building events and even sponsored our own tournament. In addition, in the last 2 years the Stars have had their own color yearbook. And now for 2012 the Stars are planning an overnight spring training camp at a local retreat center.
